Total Pages: 01

## URGENT AND IMPORTANT

Please be advised that as per the new Saudi Arabian customs regulations, no third party's name, address, telephone/telex/telefax Nos. should be mentioned in the shipping documents as consignees, buyers or notify party. In other words, only the buyer's name must be mentioned as buyer, consignee or notify party.

Similarly, the shipping documents should also not indicate any name, address, telephone/telex/ telefax Nos. of the forwarding agent.

Failure in complying with the above regulations will disqualify the buyer for the customs duty exemption.

Further, as per the new Saudi Arabian Customs Regulations, with immediate effect shipping documents bearing any corrections or its subsequent authentication will also disqualify the buyer for the customs duty exemption. You are therefore requested to take all precautionary measures to avoid any corrections on the shipping documents and its subsequent authentication.

We count on your kind understanding in this matter and would request you to instruct the concerned staff to take special note of the above regulations while preparing shipping documents pertaining to all our pending/future orders.

Should you need any clarification, please do not hesitate to contact us immediately.

Thanks/Regards,
